In re: *Approval of the Amendment to the Interconnection Agreement Negotiated by BellSouth Telecommunications, Inc. and Access Point, Inc. Pursuant to Sections 251 and 252 of the Telecommunications Act of 1996*

Docket No. 03-00532

**PETITION FOR APPROVAL OF THE  
AMENDMENT TO THE INTERCONNECTION AGREEMENT  
NEGOTIATED BETWEEN BELLSOUTH TELECOMMUNICATIONS, INC.  
AND ACCESS POINT, INC.**  
**PURSUANT TO THE TELECOMMUNICATIONS ACT OF 1996**

COME NOW, Access Point, Inc. ("Access Point") and BellSouth Telecommunications, Inc., ("BellSouth"), and file this request for approval of the Amendment to the Interconnection Agreement dated May 24, 2003 (the "Amendment") negotiated between the two companies pursuant to Sections 251 and 252 of the Telecommunications Act of 1996, (the "Act"). In support of their request, Access Point and BellSouth state the following:

1. Access Point and BellSouth have successfully negotiated an agreement for interconnection of their networks, the unbundling of specific network elements offered by BellSouth and the resale of BellSouth's telecommunications services to Access Point. The Interconnection Agreement was approved by the Tennessee Regulatory Authority ("TRA") on August 18, 2003.
2. The parties have recently negotiated an Amendment to the Agreement which adds ON/OFF Premise Rates in Attachment 2 of the Agreement. A copy of the Amendment is attached hereto and incorporated herein by reference.
3. Pursuant to Section 252(e) of the Telecommunications Act of 1996, Access Point and BellSouth are submitting their Amendment to the TRA for its

consideration and approval. The Amendment provides that either or both of the parties are authorized to submit this Amendment to the TRA for approval.

4. In accordance with Section 252(e) of the Act, the TRA is charged with approving or rejecting the negotiated Amendment between BellSouth and Access Point within 90 days of its submission. The Act provides that the TRA may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the implementation of the agreement or any portion of the agreement is not consistent with the public interest, convenience and necessity.

5. Access Point and BellSouth aver that the Amendment is consistent with the standards for approval.

6. Pursuant to Section 252(i) of the Act, BellSouth shall make the Agreement available upon the same terms and conditions contained therein.

Access Point and BellSouth respectfully request that the TRA approve the Amendment negotiated between the parties.

This 2<sup>nd</sup> day of Sept, 2003.

Respectfully submitted,

BELLSOUTH TELECOMMUNICATIONS, INC.
